Fax: 519-432-5621

**Pre-course reading and reflection materials
will be distributed upon acceptance.**

*This course is designed to introduce fundamental concepts of the practice of parish nursing which has its basis in the Christian faith, and seeks health promotion with a preventative focus. The course is open to any **Registered Nurse** who is interested in integrating spirituality, health and wholeness into their nursing practice. The Canadian Association for Parish Nursing Ministry (CAPNM) Standards of Practice and Core Competencies will be addressed.*

I EDUCATION:

List formal programs and degrees; include other educational experiences. (Include all programs, especially nursing and theology/spirituality based programs).

II WORK EXPERIENCE:

List all pertinent employed positions. Briefly describe your duties and achievements.

III FAITH COMPONENT:

Are you currently active in a faith community? Elaborate as necessary.

Briefly describe volunteer experience in a faith community which will add to your ability to practice as a parish nurse.

IV OTHER EXPERIENCE:

Briefly relate other life experiences that may contribute to your ability to be a Parish Nurse.

Briefly describe your understanding of wholistic health (mind, body, spirit), especially the role of the Spirit in health. Give examples of how you have applied wholistic health concepts in your nursing practice.

Briefly describe your own personal gifts that will enable you to fulfill the roles and functions of a Parish Nurse.

Are you currently practicing as a Parish Nurse? Yes _____ No _____
If yes, are you: Paid _____ Volunteer _____

If not, is your faith community considering a Parish Nurse Position? _____

If not, have you identified a faith community in which you would like to practice?

What are your personal reasons for enrolling in this program?

Other comments:

We ask you to complete this application and forward it along with a letter of reference from your leader/pastor/clergy/other... someone who can give evidence of your spiritual maturity and the value system which directs your interactions with others.
