**A. COURSE DESCRIPTION**

Working with the principals and curriculum coordinators of the London District Catholic School Board, a list of schools located in the London Deanery and desiring outreach ministry from St. Peter's Seminary will be compiled. In dialogue with the Director of Field Education, Theology I students will be assigned to a school. *Seminarians will be attached to the parish associated with the school and will attend the Masses at that parish on the designated weekends.* The Director of Field Education will work directly with the school personnel who will be supervising the theology student(s). The desired outcome of this ministry for the theology student is to observe (e.g. how teachers integrate faith throughout the curriculum, how students learn, etc.) and to offer a ministry of presence to the staff and students of the school. Depending on the previous experience of the individual, this ministry may take place outside of the school system; perhaps at an agency dealing directly with children / youth in need.

In addition, four seminars will be held in the art of Theological Reflection allowing the student to come to a deeper understanding of the practicality and spiritual benefits of this tradition. Opportunities will be given to apply Theological Reflection in both the written and spoken forms.

## **F. UNIVERSITY REGULATIONS AND SUPPORT SERVICES**

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site:

[http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/scholastic\\_discipline\\_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com <http://www.turnitin.com>.”

**Students are responsible** for knowing the University’s academic policies and regulations and any particularities of their own course of study. Ignorance of these policies is not an excuse for any violation thereof. The following policies are particularly important to note:

**Submission of Assignments:** It is the responsibility of the student to organize his or her work so that the assignments are completed on time. A penalty of 10% of the value of the assignment will be deducted for each day it is overdue without permission.

Students who are unable to hand in assignments or take examinations for legitimate reasons must consult with the instructor. If the reason is medical, students may be required to provide a note from a doctor. Ordinarily, all assignments and exams will be made up at a later date. In certain circumstances, the final grading scheme may be re-weighted if the missed assignment is of a low weight.

**Plagiarism:** Students must write their essays and assignments in their own words. Whenever students take an idea or a passage from another author, they must acknowledge their debt by quotation marks and/or footnotes. Plagiarism is a major academic offense. Students may be required to submit their work in electronic form for plagiarism checking.

**Selection and Registration of Courses:** Students are responsible for ensuring that their selection of courses is appropriate and accurately recorded, that all prerequisite course(s) have been successfully completed, and that they are aware of any anti-requisite course(s) that they have taken.

### **Classroom Conduct**

Students are expected to conduct themselves with respect for everyone and with professionalism in all classroom activities. Laptops and other electronic devices may be used for classroom academic activities only. Disruptive use of such devices may result in the instructor choosing to limit their use.
