##### **Essays**

Careful consideration will be given to your ability to write in a coherent and sustained manner. Make sure each essay is clearly written, employs proper grammar, spelling, and punctuation, and provides support for any assertions made. Clarity, consistency, and persuasiveness are the criteria used in my evaluation of your essays. **ON THE FIRST DAY OF CLASSES, A PRESENTATION WILL BE GIVEN ON HOW TO WRITE AN ESSAY.**

Essays should be handed to Dr. Fox on the due date at the beginning of class. For a serious reason, a student may approach Dr. Fox before the due date, and may be granted an extension at Dr. Fox's discretion. If Dr. Fox decides that documentation is required for either medical or non-medical academic accommodation, then such documentation must be submitted by the student directly to the appropriate Faculty Dean's Office. It will be the Dean's Office that will determine if accommodation is warranted.

Never submit your essays by campus mail. Never submit your essays by e-mail. You should make a photocopy of your essays. Essays that are late without permission will be penalized 10%

each calendar day. PLEASE NOTE: ESSAYS ARE RECORDED AS HAVING BEEN RECEIVED ON THE DAY THEY REACH DR. FOX'S HANDS.

### **Exams**

Exams are based on assigned readings, classroom lectures and classroom discussions. It is, therefore, indispensable to attend all classes.

A student who misses an exam for a serious reason may approach Dr. Fox, and may be granted a make-up exam or a re-weighting of the term grade at Dr. Fox's discretion. If Dr. Fox decides that documentation is required for either medical or non-medical academic accommodation, then such documentation must be submitted by the student directly to the appropriate Faculty Dean's Office. It will be the Dean's Office that will determine if accommodation is warranted.

No electronic devices will be allowed during examinations, unless approved by Student Services at the University of King's.
