

Our Recently Deceased SPSAlumni Family Members

The last two years saw 25 of our Alumni pass away, two of whom died a few more years ago, but whose names did not come to our attention until recently. May they all rest in peace.

One of them, Msgr. Donald A. McAndrews, deserves a historical comment. He was the last of the more than 40 alumni of the Diocese of Scranton, Pa. Bishop Hafey sent them to study theology at the seminary for a period of over 20 years. Every year they invited the seminary rector, Msgr. Mahoney, and a carload of other faculty members, to attend their alumni reunion in the diocese. I had the privilege to attend one of these reunions. Their hospitality was outstanding. They made the biggest Manhattans I have ever had! Their faithfulness to the seminary was palpable, and their memories went on and on. The seminary made a wonderfully indelible mark on all of them.

For this issue of the Necrology, I chose the ikon, Return to Nazareth, written by Marysia Kowalchuk of Madonna House. Both Mary and Joseph are listening to Jesus, perched high on Joseph's shoulders. He is clearly the one who has something to tell them, even at this tender age.

I wonder if this is instructive for us all as we hopefully emerge from the Covid-19 pandemic. Nazareth represents family and togetherness, and this relationship is so necessary for us all. Indeed, our Alumni is a kind of family, our seminary faculty, staff, and students are a kind of family, and my connection with Marysia and Madonna House is also a family connection.

The key, it seems to me, is being aware of belonging to a group of people beyond ourselves. Overcoming the pandemic will only happen when we go deep into the meaning of love of God, Father, Son, and Holy Spirit, love of our neighbor, and the common good, the very heart of our Christian Catholic faith. "Together" is the consummate word.

Winston Churchill once said, "Never let a good crisis go to waste". Our deceased alumni members ministered powerfully during some great crises in their lifetimes, for which we thank them. Our present crisis is challenging all of us to see new pastoral directions learned through the pandemic. Are we able to listen to Jesus eager to guide us all, and indeed, as Pope Francis says, to "smell like the sheep" in our ministry?

May our deceased alumni, who died with this "holy aroma", rest in peace.
